

Everyday Is New Experience

ALPHA World-shaking Launch Provides Perfect Experience !

GD3202/3204 Large Format Inkjet Printer

- Focus on both of speed and quality
- Full support of top R&D group
- Max 3.2m printing width
- 2 or 4 Epson DX5 print heads optional

In our last 17 years in printing industry, we are dedicated to make a large format inkjet printer which make customers satisfied. With this dream, we visited hundreds of customers to learn in depth what a ideal printer should be. After countless sleepless night, hundreds of brainstorming, numerous discussion with Korea team, day and night tests, finally, we made such a stable printer!

■ Technical Parameters

| | |
|-------------------------|---|
| Printer Model | GD3202 |
| Print Head | Piezoelectric Print Head, Double Epson DX5 |
| Ink | Water based/ Sublimation/ Eco Solvent |
| Max Printing Width | 3200mm |
| Printing Resolution | 360x720,360x1080,720x360,720x720,720x1080,720x1440,1440x1440 |
| Printing Mode | 2pass、3pass、4pass、6pass、8pass、12pass |
| Printing Speed | 80 m ² /h、53.3 m ² /h、40 m ² /h、 27 m ² /h、20 m ² /h、13.3 m ² /h |
| Ink Capacity | 220cc ink cartridge with 1.5L ink bottle(4*4CISS) |
| Three Heating System | Yes |
| Dry System | Standard intelligent infrared ray heating/fan system |
| Media System | Standard Configuration |
| Environment | Temperature 15-32℃ Relative Humidity 35%-80% |
| Dimension(W*D*H)/Weight | 4620(W)*970(D)*1560(H), 650kgs |
