Batch Counters / Accumulators
Model XT-1200 Dropper

Overview:

The fastest product accumulator in the marketplace! The XT-1200 Dropper is designed to be a "high-speed" flexible solution for packaging operations pursuing greater productivity through automation. Ideal for use with wrapping systems, cartoners, L-sealers, and many other types of packaging equipment that require dependable automation for product counting and accumulating.

The powerful XT-1200 Dropper will effectively feed, count, and accumulate products at high speed producing high levels of automated productivity.

Features:

- Simple, dependable automation for counting/accumulating
- Simple adjustments minimize setup and changeover time
- Rugged durability for continuous use and long life
- Includes heavy duty mounting stand
- Missed product detection
- Fault control – pause feeder or alarm only, selectable
- Host system I/O for electrical integration to host equipment
- Easy to learn and operate – simple push-button controls
- Integrated air distribution regulator
