Bulldozer work with your tractor

PTH Dozer Blade

PTH products MASCHINENBAU

Turn your tractor & co into a Bulldozer !

Its versatile attachment options as well as its suitability for the hardest applications makes the PTH Dozer Blade unique.

The Dozer Blade can be mounted individually on almost all carrier vehicles, e.g. using a 3-point attachment.
Manoeuvrable and easy to handle but also managing a blade capacity of up to 4.5 m3.

min. 6 t
min.100 HP
