CONSOLES DÉCORATIVES  
DECORATIVE BRACKETS

LYCOS

LYCOS 2 FEUX / 2 LIGHTS

Neuilly-sur-Seine

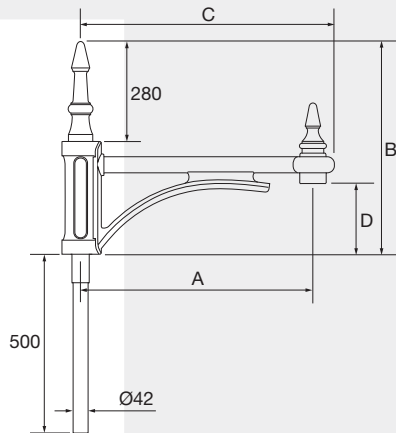

## L'INCONTOURNABLE

Fabriquée en fonte d'aluminium et protégée par une peinture polyester, Lycos marie éléments techniques et décoratifs originaux. Simple mais ouvragé, son design caractéristique en fait un best-seller et sa pointe décorative se décline ainsi en accessoires de finition pour d'autres consoles. Existe en version sur mât, en applique contre poteau ou murale, pour luminaires portés (raccord 3/4" GAZ mâle) ou suspendus (raccord 3/4" GAZ femelle).

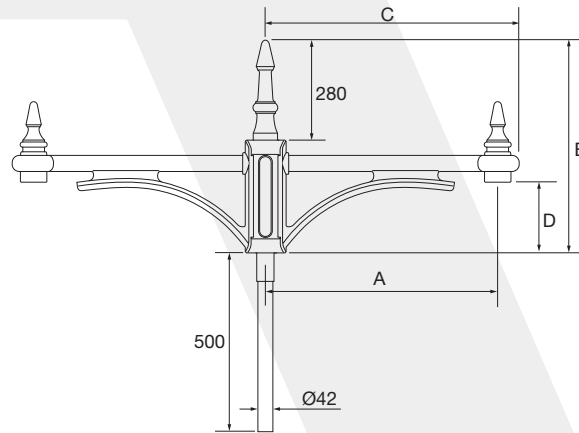

## AN ABSOLUTE MUST

Made of cast aluminium and protected by polyester paint, Lycos combines technical and original decorative elements. Simple but beautifully crafted, its characteristic design makes it a best-seller, while its decorative tip becomes a finishing accessory for other brackets. Available in a post-top version, set against a mast or wall-mounted, for post-top luminaires (3/4" BSPT male coupling) or suspended luminaires (3/4" BSPT female coupling).
